Nurses play many roles. Make yours one of leadership.

More than 1 million nurses are expected to enter the workforce through 2022. What does this mean for an experienced RN like you? It means you have more than 1 million opportunities to lead.

Choose our 100 percent online, CCNE-accredited MSN in Nursing Administration (ADN/Diploma or BSN entry) program, and you can:

• Gain a big-picture, interprofessional view of the modern health care marketplace.
• Explore health policy and its impact on evidence-based clinical practice.
• Develop a command of the art and science of patient-centered care.
• Expand your expertise in health care administration, financial management, quality improvement and information technology.
• Acquire high-level communication and decision-making skills to thrive as a leader in nearly any health care organization.

Admission Requirements

To be eligible for this program, you must meet the following qualifications:

• ADN/Diploma or BSN from an NLNAC-, ACEN- or CCNE-accredited nursing program
• Proof of a current nursing license
• Nursing undergraduate grade point average of 3.0 on a 4.0 scale

You must also submit the following:

• Completed online application
• Non-refundable $40 application fee
• Official transcripts of academic credentials
• Personal statement
• Two letters of recommendation
Curriculum

The innovative curriculum of our online master’s in Nursing Administration program expertly blends the disciplines of nursing, management and business to prepare you for leadership in the modern health care marketplace. The program’s 36–45 credit hours of coursework are delivered over eight semesters and require that you complete a capstone course and a supervised nursing administration practicum.

**Total**: 36–45 credit hours

*The following courses are not required for students with a BSN: NUR 300, 303, 404 and 407.

**Clinical or practicum courses require a clinical preceptor.

Note: Curriculum is subject to change.

State laws governing distance education programs may limit Bradley University’s ability to offer online opportunities to students. If you wish to enroll in one of our online degree programs and reside outside of Illinois, please inquire to determine if we have acquired permission to offer online courses in your state.
Go beyond the hospital bedside.

How are U.S. health care organizations serving millions of newly insured patients? By giving more autonomy to advanced practice nurses. Nearly 20 states now allow nurse practitioners to work without a supervising physician. What does this mean for a talented RN like you? It means there’s never been a better time to broaden your scope of practice.

With our 100 percent online, CCNE-accredited Family Nurse Practitioner program, you can:
• Acquire a big-picture, interprofessional view of the modern health care marketplace.
• Expand your expertise in advanced nursing theory, patient-centered care and research practice.
• Graduate equipped to diagnose illness, conduct exams and treat clients across the lifespan.
• Prepare for a leadership role in nearly any health care setting.
• Become eligible to take the ANCC certification exam.

Admission Requirements

To be eligible for this program, you must meet the following qualifications:
• ADN/Diploma or BSN from an NLNAC-, ACEN- or CCNE-accredited nursing program; those nurses with a ADN/Diploma or baccalaureate degree must complete NUR 300, 303, 404 and 407
• Proof of a current nursing license
• Nursing grade point average of 3.0 on a 4.0 scale

You must also submit the following:
• Completed online application
• Non-refundable $40 application fee
• Official transcripts of academic credentials
• Personal statement
• Two letters of recommendation

Get ready to answer the call.

You’re already an advanced practice nurse with the skills to thrive in the field. Now it’s time to gain the doctorate-level expertise to broaden your impact on both health care policy and nursing practice.

With Bradley’s 100 percent online MSN to DNP program, you can do more than discover your unique place in nursing leadership. You can:

• Develop, evaluate and improve new practices and approaches to health care delivery.
• Lead the planning and implementation of innovative health care technologies.
• Enhance your understanding of nursing personnel management and education.
• Prepare for advanced leadership roles in administration, teaching, research and patient care.

Admission Requirements

To be eligible for this program, you must meet the following qualifications:

• MSN from an NLNAC-, ACEN- or CCNE-accredited nursing program
• Proof of a current nursing license
• Nursing grade point average of 3.0 on a 4.0 scale
• Professional portfolio:
  - Resume
  - Documentation and description of supervised clinical hours completed during your master’s program

You must also submit the following:

• Completed online application
• Non-refundable $40 application fee
• Official transcripts of academic credentials
• Two letters of recommendation
• One admission essay
Curriculum

The innovative curriculum of our online MSN to DNP program is designed to prepare you for the highest level of nursing practice, research and leadership. The program’s 39–42 credit hours of coursework are delivered over nine semesters and require that you complete supervised clinical practicums.

Prepare for leadership at the highest level.

As a nurse working in an era of health care reform, your ability to elevate the quality of care and implement evidence-based solutions is more important than ever. That’s why Bradley offers an efficient educational pathway for you to advance your nursing expertise from the baccalaureate to the doctorate level.

With our 100 percent online BSN to DNP-FNP program, you can do more than discover your unique place within the profession. You can:

• Acquire the advanced practice skills to provide primary care for individuals and families through the lifespan.
• Develop, evaluate and improve new practices and approaches to health care delivery.
• Lead the planning and implementation of innovative health care technologies.
• Prepare for advanced leadership roles in administration, teaching, research and patient care.
• Become eligible to take the ANCC certification exam.

Prepare to lead the future of primary care.

As an experienced RN, you’re acutely aware of the intensifying shortage of primary care providers. But you can help fill that gap. Prepare to broaden your scope of clinical practice — and your career opportunities — as a Family Nurse Practitioner.

Choose Bradley’s 100 percent online FNP certificate program, and you can:

• Acquire a big-picture, interprofessional view of the modern health care marketplace.
• Expand your expertise in advanced nursing theory, patient-centered care and research practice.
• Graduate equipped to diagnose illness, conduct exams and treat clients across the lifespan.
• Gain more autonomy and prepare for a leadership role in nearly any health care setting.
• Become eligible to take the ANCC certification exam.

Admission Requirements

To be eligible for this program, you must meet the following qualifications:

• MSN from an NLNAC-, ACEN- or CCNE-accredited nursing program
• Proof of a current nursing license
• Nursing grade point average of 3.0 on a 4.0 scale

You must also submit the following:

• Completed online application
• Non-refundable $40 application fee
• Official transcripts of academic credentials
• Personal statement
• Two letters of recommendation
Curriculum

Our innovative curriculum is designed to equip you with the advanced practice skills to provide primary care for individuals and families through the lifespan. The program’s 43 credit hours of coursework are delivered in just six semesters and require that you complete five supervised clinical practicums.
